## LINING OUT STOCK

**KELSEY NURSERY SERVICE**  
NEW YORK  
Season 1923-1924

In response to many inquiries from nurseries regarding the available supply of lining-out stock in Trees, Shrubs and Evergreens, we offer the enclosed list, which is supplemental to our Forestry List--enclosed herewith.

We have for years published a special Price List of varieties most suitable for forestry—in Seeds, Seedlings and Transplants, which varieties are not listed herein.

These two Lists of lining-out stock, while fairly representative of the best varieties of hardy nursery material, form, however, but an abridged list of the available supply. Varieties not listed we shall be glad to quote you on receipt of inquiry.

PRICES:—Net, packing at cost. Orders for 250 at thousand rate and 50 at hundred rate. No orders accepted less than 50 of one variety. Prices subject to change without notice.

TERMS:—Half cash with order or satisfactory references. Trade accounts due June 1st and December 1st Any claims for errors or shortages to be rendered within ten days after receipt of stock.
